ABSTRACT

Arjuna Papuangan (2022), "The Scout Movement as a Means of Fostering the Love of the Motherland Character in Students at Islamic Junior High School 1 Ternate City", as Advisor I, Dr. Syahril Muhammad, M.Hum and as Advisor II, Rusdi Hasan, S.H., M.H

The next generation of the nation faces a very formidable challenge which is a challenge for the Indonesian nation, especially for the character education of the Indonesian nation, which is shown every day to the next generation of the nation in the midst of the family. Lack of attention from the coaches in the application of fostering the character of love for the homeland to students of SMP Islam 1 Ternate City. It has not been understood in depth about the application of fostering the character of love for the homeland to students at SMP Islam 1 Ternate City. To find out the factors that support and hinder the school in carrying out scouting activities to improve the character building of love for the homeland in students at Islamic Junior High School 1 Ternate City.

This research method is used in qualitative research. Qualitative research is a research method used to examine natural research objects. Sugiyono (2016), according to Meleong, qualitative research is a scientific research, which aims to understand a phenomenon in a natural social context. The implementation of the implementation of character education for students at Islamic Junior High School 1 Ternate City, Makassar Barat District, is being implemented through intracurricular and extracurricular activities. For the application of fostering love for the homeland character education to students in carrying out scouting activities, this can be proven by coaching at SMP Islam 1 Ternate city always teaching students about how students must enter class on time and apples in scouting activities as well. . Must continue to implement character building education and love for the homeland in Islamic Junior High School 1 Ternate City, West Makassar District, Central Ternate in extracurricular activities at school so that the character formation and discipline of students goes well, obeys school rules, respects teachers and others so that it is maintained in each subsequent regeneration of students.
