ABSTRAK

Nur Aulia, 2022. Peningkatan Hasil Belajar Siswa Kelas V SD Negeri 53 Kota Ternate Pada Subtema 1 Peristiwa Kebangsaan Masa Penjajahan Melalui Media *Crossword Puzzle* (Teka-teki Silang). Pembimbing Suhardi Abdullah, S.Pd., M.Hum dan Dr Ridwan Jusuf, S.Pd.,M.Pd.

Penelitian ini dilakukan dengan tujuan untuk: (1) Mengetahui proses penggunaan media *crossword puzzle* (teka-teki silang) dalam meningkatkan hasil belajar siswa kelas V SD Negeri 53 Kota Ternate pada subtema 1 peristiwa kebangsaan masa penjajahan, (2) Mengetahui peningkatan hasil belajar siswa dengan menggunakan media *crossword puzzle* (teka-teki silang) di kelas V SD Negeri 53 Kota Ternate pada subtema 1 peristiwa kebangsaan masa penjajahan.

Jenis penelitan ini yaitu Penelitian Tindakan Kelas (PTK). Adapun tahap PTK meliputi: (1) perencanaan (2) pelaksanaan (3) observasi (pengamatan) (4) refleksi yang terdiri dari siklus I dan siklus II. Subyek yang terlibat dalam penelitian ini sebanyak 27 orang siswa kelas V semester genap Tahun Ajaran 2021/2022. Pengumpulan data penelitian ini adalah observasi, tes dan dokumentasi. Teknik analisis data dalam penelitian ini yaitu kualitatif untuk melihat aktivitas guru dan siswa dalam proses pembelajaran dan kuantitatif untuk menghitung data nilai rata-rata siswa dan ketuntasan hasil belajar.

Hasil penelitian menunjukkan bahwa proses kegiatan pembelajaran melalui media *crossword puzzle* (teka-teki silang) mengalami peningkatan dari siklus I ke siklus II sebesar 31%, hal ini dapat dilihat dari hasil penelitian pada siklus I terdapat 12 siswa tuntas dan 15 siswa belum tuntas dengan persentase ketuntasan belajar klasikal siswa sebesar 44% dan pada siklus II terdapat 23 siswa tuntas dan 4 siswa belum tuntas dengan persentase ketuntasan belajar klasikal siswa sebesar 85%.

Berdasarkan hasil persentase di atas dapat disimpulkan bahwa pembelajaran menggunakan media *crossword puzzle* (teka-teki silang) pada subtema 1 peristiwa kebangsaan masa penjajahan dapat meningkatkan hasil belajar siswa kelas V Negeri 53 Kota Ternate.

Kata kunci: Hasil Belajar, Media *Crossword Puzzle* (Teka-teki Silang).

ABSTRACT

Nur Aulia, 2022. Improving Learning Outcomes of Fifth Grade Students at SD Negeri 53 Ternate City on Subtheme 1 National Events of the Colonial Period Through Crossword Puzzle Media (Cross Puzzle).
Pembimbing Suhardi Abdullah, S.Pd., M.Hum dan Dr Ridwan Jusuf, S.Pd.,M.Pd.

This research was conducted with the aim of:(1) Knowing the process of using crossword puzzle media in improving the learning outcomes of fifth grade students at SD Negeri 53 Ternate City on subtheme 1 of the colonial era national event, (2) Knowing the increase in student learning outcomes by using crossword puzzle media (crossword puzzles) in class V SD Negeri 53 Ternate City on subtheme 1 national events during the colonial period.

This type of research is Classroom Action Research (CAR). The CAR stage includes: (1) planning (2) implementation (3) observation (observation) (4) reflection which consists of cycle I and cycle II. The subjects involved in this study were 27 fifth-semester students in the even semester of the 2021/2022 academic year. The data collection of this research is observation, test and documentation.

The data analysis technique in this study is qualitative to see the activities of teachers and students in the learning process and quantitative to calculate the data on the average value of students and the completeness of learning outcomes.

The results showed that the process of learning activities through the media of crossword puzzles (crosswords) increased from cycle I to cycle II by 31%, this can be seen from the results of research in cycle I there were 12 students completed and 15 students had not completed with a percentage students' classical learning completeness is 44% and in the second cycle there are 23 students who have completed and 4 students have not finished with the percentage of students' classical learning mastery of 85%.

Based on the percentage results above, it can be concluded that learning using crossword puzzle media in sub-theme 1 national events during the colonial period can improve student learning outcomes for class V State 53 Ternate City.

Keywords: Learning Outcomes, Media Crossword Puzzle (Cross Puzzle).
