ABSTRACT

Burhanudin Munawir 2022. "Formula of Adventure in the novel "Lord Of The Flies by William Golding (Supervised by Nurain Jalaludin and Suddin MS Djumadil)

The purpose of this study is to identify the adventure formula in the novel "Lord Of The Flies" by William Golding with a review of the popular literary formula from the perspective of John George Cawleti. This research focuses on the hero character and how to describe the theme in the novel.

This research uses descriptive analysis method. The data analysis technique is based on reading comprehension. The data collection technique in this study is based on primary data sources, namely the novel "Lord Of the Flies" by William Golding and secondary data sources including theses, journals, and articles that are significantly related to this research.

In this study, the researchers found elements of popular literary formulas that were more directed to the adventure genre so that in this study, the researchers took the title of formula of adventure analysis in the novel "lord of the Flies" by seeing that the hero figures featured in the novel were Ralph and Piggy, the hero character often experiences problems, suffering and danger, then the researcher also describes the theme of adventure.

Kata Kunci : Formula adventure, lord of the files,hero
