Asti Mahmud,2022 Analisis Faktor-Faktor Yang Mepengaruhi Hasil Tangkapan Nelayan Terhadap Pendapatan Nelayan Di Desa Sidangoli Kecamatan Jailolo Selatan Kabupaten Halmahera Barat. (di bawa bimbingan Yuliyana S. Kalengkongan dan Bakri Soamole.

Tujuan penelitian ini adalah untuk menganalisis dan mengetahui pengaruh faktor modal kerja,harga jual, pengalaman dan jam kerja terhadap pendapatan nelayan di Desa Sidangoli Kecamatan Jailolo Selatan Kabupaten Halmahera Barat. Banyaknya sampel 60 orang dari 160 populasi masyarakat nelayan dengan motode sampel acak sedehana. Tehnik pengumpulan data di lakukan dengan observasi langsung, wawancara dan dokumentasi. Hasil penelitian di temukan bahwa variabel pengalaman dan modal kerja memiliki pengaruh yang signifikan terhadap pendapatan nelayan yang berarti setiap penambahan pengalaman sebesar 1 Rupiah dan modal kerja 1 Rupiah maka pendapatan nelayan akan semakin meningkat. Sedangkan variabel harga jual dan jam kerja tidak memiliki pengaruh yang signifikan terhadap pendapatan nelayan di Desa Sidangoli Kecamatan Jailolo Selatan Kabupaten Halmahera Barat.

Kata Kunci : Desa Sidangoli, Modal kerja, harga jual, pengalaman, dan jam kerja

ABSTRAC

Asti Mahmud, 2022 Analysis of Factors Affecting Fishermen's Catches on Fishermen's Income in Sessionoli Village, South Jailolo District, West Halmahera Regency. (under the guidance of Yuliyana S. Kalengkongan and Bakri Soamole.

The purpose of this study was to analyze and determine the effect of working capital, selling price, experience and working hours on fishermen's income in the village of Sessionoli, South Jailolo District, West Halmahera Regency. The number of samples is 60 people from 160 fishing community populations with a simple random sample method. Data collection techniques were carried out by direct observation, interviews and documentation. The results of the study found that the experience and working capital variables had a significant effect on fishermen's income, which means that for every additional experience of 1 Rupiah and working capital of 1 Rupiah, the income of fishermen will increase. Meanwhile, the selling price and working hours have no significant effect on the income of fishermen in the village of Sessionoli, South Jailolo District, West Halmahera Regency.

Keywords: Sessionoli Village, Working capital, selling price, experience, and working hours
