Penelitian ini dilakukan untuk mengetahui dan menganalisis strategi pengelolaan Dana Desa oleh pemerintah desa Nggele Kecamatan Taliabu Barat Laut serta untuk mengetahui upaya pemerintah desa dalam meningkatkan kesejahteraan masyarakat di Desa Nggele Kecamatan Taliabu Barat Laut

Metode yang digunakan penulis dalam menganalisis hasil penelitian skripsi ini, menggunakan metode analisis deskriptif, yang dimana penelitian dilakukan bertujuan untuk menggambarkan secara jelas, sistematis, dan seadanya. Kemudian data-data yang didapatkan dalam penelitian ini, dianalisis dengan menggunakan alat analisis SWOT untuk mengetahui kekuatan, kelemahan, peluang, serta ancaman dari strategi pengelolaan dana desa oleh pemerintah desa dalam meningkatkan kesejahteraan masyarakat desa Nggele. Data yang digunakan dalam penelitian ini berupa data primer dan data sekunder dengan subjek penelitian yang terdiri dari kepala desa, BPD, Pengurus BUMDES dan masyarakat di desa Nggele.

Hasil penelitian menunjukkan bahwa proses penyusunan dan penetapan rencana atau strategi pengelolaan dana desa di desa nggele kecamatan taliabu barat laut, sudah dilakukan sesuai dengan ketentuan undang-undang yang berlaku. Dan serapan anggaran yang diperuntukan dalam pembangunan, pemberdayaan dan kesejahteraan sudah direalisasikan oleh pemerintah desa Nggele dengan fokus terbesar pada pembangunan jalan, irigasi, pembangunan pasar, dan BUMDES. Serapan dalam pengelolaan Dana Desa menunjukkan tingkat capaiaN sangat evektif meskipun ada beberapa kendala dan hambatan selama realisasi anggaran tersebut di gunakan seperti perencanaan pengadaan pasar.

Kata kunci: Dana Desa, Strategi Pemerintah Desa, Realisasi Anggaran, Upaya Peningkatan Pembangunan Demi Kesejahteraan Masyarakat.

ABSTRACT

Marjono La Pagara, (2019) Strategy of Village Fund Management by the Village Government in Improving the Welfare of the People of Nggele Village, Taliabu Barat Northwest District.

Supervisor: Muhammad Kamal, S.E., M.Sc, Fajri Hatim, S.E., M.Sc.

This research was conducted to find out and analyze the Village Fund management strategy by the Nggele village government in the West Taliabu District and to determine the efforts of the village government in improving the welfare of the community in Nggele Village, the Taliabu Barat Laut District.

The method used by the author in analyzing the results of this thesis research, using descriptive analysis method, in which the research is conducted aims to describe clearly, systematically, and improvised. Then the data obtained in this study, were analyzed using a SWOT analysis tool to determine the strengths, weaknesses, opportunities, and threats of village fund management strategies by the village government in improving the welfare of the Nggele village community. The data used in this study are primary and secondary data with research subjects consisting of village heads, BPD, BUMDES Management and the community in Nggele village.

The results showed that the process of formulating and determining plans or strategies for managing village funds in nggele village, northwestern Taliabu district, had been carried out in accordance with applicable laws. And budget absorption intended for development, empowerment and welfare has been realized by the Nggele village government with the greatest focus on road construction, irrigation, market development, and BUMDES. Uptake in the management of the Village Fund shows that the level of achievement is very evective even though there are some obstacles and obstacles during the realization of the budget used such as market procurement planning.

Keywords: Village Funds, Village Government Strategies, Budget Realization, Development Efforts for the Sake of Community Welfare.
